Picture yourself in a boat on a river, with tangerine trees and marmalade skies Follow her down to a bridge by a fountain, where rocking-horse people eat marshmallow pies, Picture yourself on a train in a station, with plasticine porters with looking-glass ties,

Somebody calls you, you answer quite slowly, a girl with kaleidoscope eyes

Everyone smiles as you drift past the flowers, that grow so incredibly high

Suddenly someone is there at the turnstile, the girl with kaleidoscope eyes --- Go to CHORUS on THIS VERSE

Cellophane flowers of yellow and green, towering over your head Newspaper taxis appear on the shore, waiting to take you away

Look for the girl with the sun in her eyes, and she's gone Climb in the back with your head in the clouds, and you're gone

CHORUS: Lucy in the sky with diamonds; Lucy in the sky with diamonds; Lucy in the sky with diamonds; Ahh...
